

Statement by Beverly W. Jones

Upon request of Chancellor Nelms, I will relinquish my duties as Provost and Vice Chancellor for the Division of Academic Affairs. The University provides retreat rights to prepare for return to the classroom; therefore, I will make plans within those guidelines. May I thank each of you for the part you played in my work in this office.

"I feel very fortunate to have served students, staff, and faculty at my alma mater North Carolina Central University for the past 35 years and to have participated in the growth and expansion of this great institution."

"My experience here at NCCU represents a team effort involving all who have helped to move our programs forward. As Provost and Vice Chancellor, I've been blessed to have worked with outstanding deans, faculty, students, and staff on the campus of NCCU."
