

NCCU ALUMNI ASSOCIATION VEHICLE TAGS FOR DC RESIDENTS

ORGANIZATIONAL VEHICLE TAGS FOR DISTRICT OF COLUMBIA RESIDENTS

We have contacted the District of Columbia Department of Motor Vehicles regarding the process to obtain Vehicle Tags for North Carolina Central University Alumni Association. We are in the process of preparing the necessary documents including a proposed tag design. One of the requirements is submit signatures from at least 25 alumni members attesting to their intent to display the proposed tag. Below is the form that will be used to determine the interest of alumni living in the District of Columbia interests in the NCCU Organizational Tag.

If you are interested, please complete the form and return. If you have additional questions, please contact Calvin Kearney at 202 543 9899 or email at calvinkearney@yahoo.com

Please Note: If you plan to display the organizational tags on your vehicle, you must surrender both of your current vehicle tags and registration card and pay the additional annual display fee. More information about these fees is available at the DMV website: www.dmv.dc.gov/serv/plates/organization.shtm
